LB 467, 176, 495

SPEAKER MARVEL: Have you all voted?

CLERK: Senator Cope changing from yes to no. We are under a Call of the House and we are voting on the advancement of LB 467 which is the fifth bill down on a consent calendar. Yes, would you record your presence? Has everyone in the Chamber recorded their presence? We are under Call. We are voting on the advancement of LB 467 to E & R for review. I think all the legislators are here, Senator Maresh. Okay, roll call. The vote is on the advancement of LB 467 to E & R for review. The Clerk will call the roll.

CLERK: Roll call vote taken. (See pages 983 and 984, Legislative Journal.) 23 ayes, 12 nays on the motion to advance, Mr. President.

SPEAKER MARVEL: The motion fails. The bill does not advance and we move to the next bill. The Call is raised. The next bill, Senator Maresh, is also yours, LB 176.

CLERK: Mr. President, LB 176. Title read. The bill was first read on January 10. It was referred to the Urban Affairs Committee. It was advanced to General File. There are no committee amendments, Mr. President.

SPEAKER MARVEL: Senator Maresh.

SENATOR MARESH: Mr. Speaker, this is to place the second class cities in the same category as other municipalities are as far as assessing street improvement project to allow when the people petition their municipality to organize an improvement district to have the same, have a percentage of those with the frontage feet instead of the number of property owners and to have the same provision for doing away with the district. So I move that this bill be advanced to E & R Initial. This is just to have uniformity between the cities.

SPEAKER MARVEL: Motion is to advance LB 176 to E & R for review. All those in favor vote aye, opposed vote no. Have you all voted? Voting on the advancement of LB 176 to E & R for review. Have you all voted? Have you all voted? Clerk, record the vote.

CLERK: 25 ayes, 0 nays on the motion to advance, Mr. President.

SPEAKER MARVEL: Motion is carried. The bill is advanced. The next bill, LB 495.
